In determining shift assignments, the Hospital will, when possible, consider employee preference; however, the Hospital has the ultimate discretion to determine shift assignments.

- (d) Employees hired to a Baylor Plan agree to work two (2) twelve-hour (12) shifts on the weekend for 36 hours pay. The number and duration of such positions are to be at the sole discretion of the Hospital.

- (c) All overtime must be authorized in advance by the Hospital. Any employee required to work overtime as defined above shall have the choice of receiving overtime pay or compensatory time off at the rate of one (1) hour for each one (1) hour worked. Such compensatory time must be scheduled according to the Hospital's needs and any time not taken by the end of the pay period following said accrual will automatically be paid as overtime.
- (d) Earned Time Off shall not be credited to the thirty-two (32) actually worked hours for full-time employees or to the sixteen (16) actually worked hours for part-time employees. Employees do not accrue ETO during overtime hours.
- (e) Prior to assigning an individual covered by the Agreement to mandatory overtime, the Hospital shall pursue all currently utilized and/or reasonable procedures to obtain a staff member who will voluntarily agree to fill the shifts. In the event that all such efforts fail, individuals will be assigned on a reverse seniority basis; provided, however, that such assignment shall be reviewed on an annual basis to ensure the equitable distribution of said shifts. - (b) Where qualified employees apply, they will be given preference over new hires. The position shall be filled on the basis of qualifications and ability. Where qualifications and ability are relatively equal between applicants, seniority will be the determining factor.
- (c) All employees filling a vacancy are expected to stay in that position for a minimum of six (6) months.
- (d) When an employee is awarded a position, pursuant to the contractual requirements, the Hospital shall so inform the employee in writing including the employee's targeted starting date in that awarded position. The targeted starting date shall be no later than forty-five (45) days from the date of the position's award except for exigencies beyond the control of the Hospital that may require that the starting date be delayed.

ARTICLE 6 -- GRIEVANCE PROCEDURE

SECTION 1: Purpose

- (a) The purpose of the procedure set forth hereinafter is to produce proper and equitable solutions of Grievances. All Grievances will be handled as provided in this article.
- (b) The parties agree that such procedure shall be kept as informal and confidential as may be appropriate for the procedural Step involved. Both parties have the expectation to be treated with courtesy and respect throughout the grievance process.
- (c) Nothing in this Agreement shall prevent any employee from individually presenting any grievance to his/her employer, without representation of the Union, providing that the adjustment is not inconsistent with the terms of this Agreement and provided, further, that

the Union may be present at Grievance meetings (other than at Step 1) and state its position on the Grievance if the employee so desires.

- (d) Those Grievances reduced to writing and resolved without union representation shall be documented and forwarded to the Union within ten (10) working days.

SECTION 2: Definition

The following definitions shall apply for purposes of this Agreement:

- (a) Grievance shall mean a complaint by the employee that, as to such employee, the Hospital has interpreted and applied the Agreement in violation of a specific provision thereof.
- (b) An aggrieved employee shall mean the employee making the complaint.
- (c) For purposes of this article, working days shall mean Monday through Friday, exclusive of legal holidays.
- (d) By definition, any dispute over the contents of a performance evaluation is not a grievance and cannot be subject to the grievance/arbitration process.

SECTION 3: Limitations

A matter which is not specifically covered by the Agreement or which is reserved either by this Agreement or by common or statutory law, to the employer, is not subject to the Arbitration procedure set forth in Article VII. Only Grievances, as defined above, may be arbitrated under the provisions of Article VII.

SECTION 4: Rapid Processing

Since it is important that Grievances be processed as rapidly as possible, the number of days indicated at each Step shall be considered as maximum. The time limits specified may be extended only by prior written mutual agreement.

SECTION 5: Grievance Steps

It is contemplated that grievance hearings at every Step shall consist of a free and open exchange of the rationale for the action taken by management, the basis of the complaint by the Union, and a frank discussion of the remedies sought by the Union. The processing of Grievances shall be undertaken in accordance with the following procedures:

- (a) Step 1 - The aggrieved employee shall present his/her grievance in writing and signed by the grievant to his/her immediate supervisor or to that Management individual who initiated the action grieved. The grievance shall be submitted within ten (10) working days of the day the aggrieved employee knew, or should reasonably have known, of the event or events on which the Grievance is based. The Supervisor/management representative shall meet with the employee within ten (10) working days of the presentation of the grievance. The supervisor/management representative shall present the grievant with an

answer, in writing, within ten working (10) days of such meeting unless an extension has been agreed upon, in writing, by both parties.

- (b) Step 2 - If the Grievance is not resolved to the satisfaction of the aggrieved employee at Step 1, then the employee shall present his/her grievance to the employee's Department Head within ten (10) working days of the day the aggrieved employee received the response provided at Step 1. A Grievance may be initially filed at Step 2 if the action grieved is the action of the employee's Department Head.

A meeting between the employee and his/her Department Head shall be scheduled within ten (10) working days of the Department Head's receipt of said grievance. If no such meeting is scheduled within the prescribed time, then the aggrieved employee shall treat such failure to meet as a refusal (response).

- (c) Step 3 - If the Grievance is still unsettled to the aggrieved employee's satisfaction at Step 2, the aggrieved employee shall submit the written grievance to the Administrator, or his/her designee, within ten (10) working days of the due date for the response at Step 2. The Administrator and the aggrieved employee shall meet within ten (10) working days of the submission of Grievance to the Administrator's level. The Administrator shall issue a written response within ten (10) working days of said meeting.

SECTION 6: Non Response Denial

If a decision at any Step is not provided within the time limits specified, the Grievance shall be deemed denied on the day the decision is due, if applicable, and shall be qualified to be taken to the next higher Step.

SECTION 7: Time Limits

No grievance shall be considered which is not initially presented within the time limits specified in Step 1, or Step 2 if applicable, unless extended by mutual agreement.

If a Grievance is settled, or if the action required to present the grievance to the next higher Step shall not have been taken within the specified time limits, the Grievance shall be deemed to have been waived and shall not, thereafter, be subject to the Grievance procedure or the Arbitration procedure set forth in Article VII, unless such settlement is not enforced.

SECTION 8: Separate File for Grievance

All documents, communications, and records dealing with the processing of the Grievance shall be filed separately from the personnel file of the participant.

SECTION 9: Survival of Grievance

No grievance in process during the terms of this Agreement shall lapse because of the termination of this Agreement. Any such Grievance shall be disposed of under the procedures provided by this Agreement.

SECTION 10: Employee's Right

The Hospital and the Union recognize the right of the individual employee to bring a problem before the Hospital without filing a Grievance, if the problem has not been resolved at the Department Head Step. An employee's actions under this section shall follow the same time limits set forth in the sections above.

ARTICLE 7 -- ARBITRATION

SECTION 1: Notice of Arbitration

If the Grievance has not been resolved to the satisfaction of the aggrieved employee, the Union may submit the Grievance to Arbitration by giving written notice to the Hospital, within ten (10) working days of the receipt of the Step 3 response. Such notice shall be addressed in writing to the then Hospital Administrator.

SECTION 2: Selection of Arbitrator

In the event that the Union elects to proceed to Arbitration, the Hospital, or its designee, and the Union will endeavor to agree upon a mutually acceptable Arbitrator and obtain a commitment from said Arbitrator to serve. If the Parties are unable to obtain a commitment to serve, the Grievance shall be referred to the American Arbitration Association by the Union no later than twenty (20) working days after the receipt of the notice of submission to Arbitration, Section 1. In such event, the Arbitrator shall be selected in accordance with the rules of the American Arbitration Association, then applicable to voluntary labor Arbitrations.

SECTION 3: Responsibility for Costs

The Hospital and the Union agree that they will individually be responsible for their own costs, preparation, and presentation. The Hospital and the Union further agree that they shall equally share in the compensation and expense of the Arbitrator.

SECTION 4: Arbitrability Not Waived

Questions of arbitrability are not waived and may be raised by either Party in Arbitration, or any other appropriate forum.

SECTION 5: Arbitrator Function

The function of the Arbitrator is to determine the interpretation and application of specific provisions of this Agreement. There shall be no right in arbitration to obtain and no Arbitrator shall have any power or authority to award or determine any change in, modification or alteration of, addition to, or subtraction from any other provision of this Agreement. The Arbitrator may or may

not make his/her award retroactive to the initial filing date of the Grievance as the equities of the case may require.

SECTION 6: Separate Processing

Each Grievance shall be separately processed at any Arbitration proceeding here under unless the Parties agree otherwise.

SECTION 7: Written Opinion

The Arbitrator shall furnish a written opinion specifying the reasons for his/her decision. The decision of the Arbitrator, if within the scope of his/her authority and power within this Agreement, shall be final and binding upon the Union and the Hospital and the aggrieved employee who initiated the Grievance.

ARTICLE 8 -- DISCIPLINE AND DISCHARGE

SECTION 1: Just Cause

No non-probationary bargaining unit employee will be discharged or be subjected to major disciplinary sanctions without just cause. For the purpose of this Section, major disciplinary sanctions shall mean action taken against an employee which results in the loss of pay or a written warning to be placed in the employee's personnel file.

The parties hereby agree that bargaining unit members may grieve written warnings, but that written warnings may not be taken into arbitration unless such written warnings cite patient abuse and/or neglect. The parties hereby agree that any written warning citing patient abuse and/or neglect shall be submitted to the arbitration process, provided in Article 7 (above) if the bargaining unit member desires such submission.

SECTION 2: Right of Union Representation

- (a) An employee shall be entitled to have a union representative, or fellow union member, present at an investigative interview or meeting, when he or she reasonably believes that the interview or meeting may result in disciplinary action against him/her.
- (b) If the employer requests a meeting, knowing that discipline is contemplated, the employee will be notified of the intent and nature of the meeting.
- (c) An employee may opt to forego Union representation at such meetings. In this event, the employee shall acknowledge his/her option by signing a statement verifying his/her wish to attend the meeting without a representative present.

SECTION 3: Acknowledgment of Reprimand

Any employee, given a written reprimand, shall acknowledge receipt thereof, by affixing his/her signature to said reprimand. Such signature shall only signify receipt, and not necessarily agreement, with said reprimand. Failure to sign said reprimand shall be just cause in itself, for further discipline.

ARTICLE 9 -- PERSONNEL FILE

SECTION 1: Employee Comments

All evaluative material placed into an employee's file must be acknowledged by the employee by signing in the space provided, subject to the provisions of Article VIII, Section 3, regarding failure of an employee to sign. The employee shall have the right to attach any comments to this material.

SECTION 2: Removal of Material

An employee may petition the Hospital Administrator at any time for a general review of that employee's file. Upon completion of such review, an employee may request that certain specific documents be removed from said file. Upon review of the Personnel Folder, the Hospital Administrator may, at his/her full discretion, remove from the personnel file the requested documents and/or any other documents he/she deems no longer appropriate. The Hospital Administrator will inform the employee in writing of all documents so removed. It is expressly understood between the parties that the Administrator's discretion shall extend to any and all documents within the personnel file except disciplinary reprimands. It is expressly agreed by the parties that any disciplinary reprimand that is over one (1) year old shall not be used in any subsequent disciplinary action and shall be removed from an employee's personnel file, upon the employee's written request, subject to the condition that the employee has received no additional related disciplinary reprimands during the ensuing year.

SECTION 3: File Access

Employees in the Bargaining Unit shall have access to their personnel file at reasonable times, and shall, upon request, be provided with copies of material contained in such records, provided that such request is reasonable and timely.

ARTICLE 10 -- HEALTH AND WELFARE

SECTION 1: Health Insurance

- (a) The Hospital will continue, for the duration of this Agreement, its present Health Insurance Program or a similar program.
- (b) The Hospital will pay 100% of the cost of the health insurance plan for single person coverage, subject to the cost adjustments as set forth in sub-section (e), below.

- (c) The Hospital will pay the same proportionate share of the health insurance plan for two person coverage as it currently pays, subject to the cost adjustments as set forth in sub-section (e), below.
- (d) The Hospital will pay a portion of the family health benefit premiums in accordance with the following schedule:

Beginning upon completion of three (3) months of service	25%
Beginning on 3rd anniversary	50%
Beginning on 6th anniversary	75%
Beginning on 10 th anniversary	80%

In the event that one or both of the parties do not participate in the fashion and manner contemplated above, or if the parties cannot reach a timely consensus regarding the premium increases, the parties reserve unto themselves the rights, privileges and obligations inherent in the current contract language as defined and explained, to the extent applicable, by past practice.
