

STATE EMPLOYEE ASSOCIATION / SEIU LOCAL 1984 EXECUTIVE COUNCILOR CANDIDATE QUESTIONNAIRE

The State Employees Association (SEIU Local 1984) unites over 11,000 New Hampshire state and municipal employees. SEA members working in the healthcare industry, the public sector and in property services believe in the power of joining together on the job to win higher wages and benefits and to create better communities, while fighting for a more just society and an economy that works for all of us, not just corporations and the wealthy.

The State Employees Association, SEIU Local 1984 will only endorse candidates who can demonstrate strong value and support for our Six Tenets. Our members believe that together, these tenets form the basis of not only safe, healthy, and productive workers, but also for an equitable and just society.

Union Building. We endorse candidates who support legislation and policy that gives all workers the right to organize and collectively bargain for better wages, benefits, and working conditions.

Retirement. We endorse candidates who support legislation and policy that preserves the safety and security of our retirement systems.

Fair Wages. We endorse candidates who support legislation and policy that provides all workers with a fair wage for their work.

Work Conditions. We endorse candidates who support legislation and policy that strengthens workers safety, healthy working environments, and conditions.

Healthcare. We endorse candidates who support legislation and policy that give all workers and retirees quality, affordable healthcare, health benefits, regardless of the job or position.

Environment. We endorse candidates who support legislation and policy that fosters safe and healthy living and working conditions at home and on the job.

Thank you for participating in SEA / SEIU 1984's State Executive Councilor Candidate Questionnaire. We look forward to getting to know you better and working with you throughout the endorsement process and beyond.
