## Bargaining Experience

director of engineering / Marriott International - 6 yrs negotiation experience with all contracts for subcontracting services for 11 properties in the North Shore / Boston North , manager buyer for largest Stihl dealership in NE , responsible for leveraging buys and costs to enable Sales and promotions for annual purchases and sales, MIT educated - Amherst College Educated

---

## Bargaining Goals

To enhance the bargaining spectrum and change / shift leverage at points in our favor , know the wants and needs and see the big picture , possibly show it to others to help us all.

---

## Anything else

I hope you all have a quality day.
