Introducing our Self-Service Website Portal

We have experienced questions from a number of members who have mistakenly unsubscribed from ALL our emails, thinking that they only unsubscribed from a certain type of email that they may not have wanted to receive.

Unfortunately, when someone uses the "Unsubscribe" button from the bottom of the email, it unsubscribes them from all of our communications. It was also difficult to change that status once done. Today, the good news is that you can now subscribe to our emails on your own using the new Self-Service Portal.

To make your own changes, please follow the link below. It will now allow you to edit your personal preferences in our system, including your subscribed and unsubscribed email addresses. Using the link below, you will follow the steps and be able to edit as necessary.

https://secure.everyaction.com/p/rsiabw8dyUy6IG1mDaMydw2

Follow The steps below:

- Enter your email address in the field and press submit.
- You will then receive an email at the address that you entered. The link in the email can only be used once and will expire after 24 hours. So make sure you are ready to go through the steps when you do it.
- Once you access the self-service portal, make sure to bookmark or save the link to your browser for future use.
- Inside the portal, you will find ways to change your email address, subscribe/unsubscribe, and add or change phone numbers or addresses.

After you make these changes, all we ask is that you please email techdept@seiu1984.org and let Michael know what changed so that we can address it properly in our other database and bring them both up to date.
ATTENTION ALL MEMBERS!

If you are more conservative than not or non-partisan, we are asking for your help. If you are interested in new opportunities to assist your elected labor-friendly candidates, please get in touch with your Political Department: Cullen Tiernan, ctiernan@seiu1984.org, and Bob Blaisdell, bblaisdell@seiu1984.org about opportunities to help support conservatives who will support labor.

VOTER EMPOWERMENT TASKFORCE

This election cycle making sure our elections go smoothly and there is faith in the results is a top priority of the Voter Empowerment Taskforce, a project of the New Hampshire Campaign for Voting Rights.

VETF was created to work with voters, election officials, and local organizations to empower every eligible Granite State voter by ensuring they have accurate information about elections, faith in the integrity of our elections, and safe access to the ballot box. Core to that mission will be VETF's work to respond quickly to any misinformation, pushing back on fabricated claims with no basis in reality and ensuring every voter knows their rights, and what to expect at their polling place. Our team and partners will monitor the election process, including the work of local and state election officials and advocacy groups, as well as de-escalate threats to our election process, and share accurate voting information.

You can help support this work by signing up to volunteer as a nonpartisan election observer and by flagging any issues around the election of voting info! If you have any questions feel free to email Liz at nhvoterempowerment@gmail.com!

HOW TO REGISTER TO VOTE

Here are four ways to register to vote in New Hampshire. Each requires proof of identity, age, citizenship, and where you live. If you do NOT have documentation proving one or more of these things, you may sign an official form (affidavit).

- Register to vote at the town (or city) clerk's office up to 6-13 days before any election
- Register to vote with your local Supervisors of the Checklist
  - Supervisors of the Checklist are required to meet at designated times to accept registrations and changes in party affiliation.
  - These times are posted in the town and city offices and other public places.
- Register to vote on the day of any election, at the polling place
  - This will take extra time. Look for the voter registration table.
- Register absentee, by mail
  - If you are unable to register in person because of physical disability (including serious illness or fear of contracting serious illness), religious beliefs, military service, or because of temporary absence, you may register by mail.
  - Request an absentee voter registration packet from your town or city clerk.
  - The absentee voter registration form must be witnessed by another person. Both forms are to be returned to your town or city clerk.
JOIN US FOR CANVASSING!

Campaign season is in full swing now, and we are launching canvasses to support our endorsed candidates and help ensure a labor-friendly political landscape in the Granite State.

Please reach out to Cullen Tiernan, ctiernan@seiu1984.org, if you are interested in any of the following opportunities to support our candidates!

Political canvassing occurs when candidates, staff, or volunteers from a political campaign attempt to directly contact voters by going door to door. This door knocking is part of an extensive outreach plan that helps put a face on a political campaign. The more people a candidate, staff, or volunteer of the campaign reaches, the further the campaign’s message spreads. Canvassing can be used to help identify supportive voters, sign up voters to vote by mail, advance Get Out The Vote (GOTV) efforts, and persuade undecided voters leading up to the primary or general election.

Tips for Effective Canvassing:
- Stay polite: Not everyone will agree with your campaign’s mission, and many won’t answer the door.
- Don’t be too pushy: Your goal is to be pleasantly persuasive.
- Keep moving: When canvassing, expect to spend an average of 1–3 minutes per door, with a goal of an average of 20 doors an hour.
- Know that not all doors will open: The majority of the doors you knock on while canvassing will remain firmly shut.
- Collect questions and feedback: Volunteers aren’t expected to know the answer to every question a voter might have.

As we near November 8th, I hope you’ll join me next week in Dover to reflect on how far we’ve come, and prepare to run through the finish-line and win in District 1.

I am honored to have the endorsement and support of Senator Jeanne Shaheen headed into Election Day, and am thrilled she will join us next Thursday evening in Dover!

Together, I know we can flip this seat, to protect public schools, fund Planned Parenthood, and ensure the rights of every Granite Stater are preserved with a majority on the Executive Council.

Information on the role of Executive Councilor:
The Executive Councilor is a member of a government oversight panel that has the power to deny governors much of what they want but, for all that authority, is little understood by the general public.

The executive council must must approve most grants and all contracts of $10,000-plus and also senior level appointments including Supreme Court justices in New Hampshire.

These are huge responsibilities and Executive Council decisions affect New Hampshire residents in many ways. In short, this is one of the most important positions we have. Currently there are four republicans holding seats and only one democrat.
On Monday, September 19, lightning struck the home of one of our own, Shannon Perkins. Thankfully, both Shannon and his dog made it out safe but the home and all possessions were lost. Shannon grew up in Clifton Park, he graduated in 1989 and served in the Air Force. He relocated to the west coast and after the passing of his father returned to Rumney, NH, where he has lived in his family's generational home ever since. Shannon is an SEA member who works at the Glencliff Home, he is president of his chapter and is a strong and active SEA supporter.

Please help Shannon if you can by donating to the Go Fund Me page this his friends have set up here: https://gofund.me/6b830331

Laurie Pelletier, Chapter 45 President of the SEA, has created a Go Fund Me page for Christa Clapp and her family. Christa is a long-standing employee of the State of NH and a member of the SEA. Christa has dedicated her life to helping others. Unfortunately, she and her family lost their home and all personal items to a fire on 10.11.22. They need to replace clothing and personal items. However, their town and the Red Cross have helped, but they could certainly use some additional financial support. You may donate by clicking: https://gofund.me/8cc19cce
Members of the Department of Transportation, Chapter 17, Raise Funds for Operation Santa Claus to Honor the Fallen

This past year the Department of Transportation, Chapter 17 lost three of their own, Hiram Bickford, Scott Marshall, and Kent Rinfret.

This year in their honor, the chapter is raising money to donate in their names to Operation Santa Claus. If anyone would like to add additional funds to this donation, they are hoping to raise at least $1000.00, you may do so by writing a check to Operation Santa and making a note in the "memo" section of the check stating "Donation for Chapter 17." All donation may be mailed to the SEA Office, C/o Operation Santa.

Flu Prevention:
A Guide on Where you can get Vaccinated

Everyone 6 months of age and older should get a flu vaccine every season, especially people at high risk. Flu vaccination can keep you and loved ones from getting sick with flu and reduce the risk of flu-associated hospitalization.

If you are covered by State employee medical benefits, use Anthem or Express-Scripts to cost cover flu vaccination. There are several options where you can get vaccinated for the flu at no charge. Please contact these locations to confirm availability, scheduling, and coverage.

<table>
<thead>
<tr>
<th><strong>Primary Care Provider (PCP)</strong></th>
<th>Contact your PCP or health care provider to schedule a vaccination. Often providers will arrange walk-in clinics or nurse-only that last 10-15 minutes per visit. Your medical coverage through Anthem will cover 100% of the cost for in-network providers.</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Pharmacy</strong></td>
<td>Vaccinations are available as part of your prescription drug benefit plan and covered 100% if you go to a participating pharmacy. To locate a participating pharmacy, contact Express Scripts at 866.544.1798.</td>
</tr>
<tr>
<td><strong>Community Clinics</strong></td>
<td>If you can’t schedule a vaccination with your provider, choose from these centers or clinics for walk-in or appointments. Most are open weeknights and weekends. Call Anthem customer service at 800-933-8415. Examples include Convenient MD, ClearChoice MD, CVS MinuteClinic, or Concentra.</td>
</tr>
<tr>
<td><strong>Walk-in Centers, Retail Health Clinics, or Urgent Care</strong></td>
<td>Providers such as the Manchester and Nashua Health Departments, Visiting Nurse Associations, and other health care providers facilitate community clinics. Contact them directly or call 2-1-1 NH for comprehensive information and referral services or visit <a href="http://www.211nh.org">www.211nh.org</a>.</td>
</tr>

THINKING OF RETIRING?

CONSIDER JOINING CHAPTER 1

Are you thinking of retiring from state service? If retirement is in your future, please consider joining SEA’s Chapter 1, the Retired Members’ chapter.

As members of Chapter 1, you are still counted as a member of this Association. The more members we have, the more strength this Association will have in our fights to protect and improve retiree and active member benefits.

To be a member of Chapter 1, you must be a member in good standing at the time you retire or have been a member in good standing at the time your bargaining unit is decertified, or you accepted an unclassified or appointed state position.

- The State does not notify the SEA of State Employee members who have retired, so we ask that you let us know. Those who want to get a head start on Chapter 1 membership, should contact the Membership Coordinator at the union office (603-271-3411, ext. 102).
- The dues are low – currently $6 per year. Spouses can join as associate members for $3 per year and can remain associate members even if the member passes away.

The chapter meets monthly except in the summer and offers informational programs and opportunities to gather for other fun activities. Joining is a good way to keep involved with each other and with the active employees. Together we participate on committees, volunteer, and attend legislative hearings to represent retirees.

As an extra bonus, we receive benefits! SEA members, including Chapter 1 retirees, receive various local and nationwide benefits. For a list of discounts and special offers, visit the SEA and SEIU websites below: [www.seiu1984.org/membership-discounts/](http://www.seiu1984.org/membership-discounts/)

Dozens of retirees and volunteers from different state agencies work around the clock starting in the late summer months to ensure a successful year for OSC, but it doesn't mean they don't need your help. The children in this program have had tough times; they have lost their parents, have been separated from their families, or have never experienced a proper Christmas holiday.

With fewer funds and more needy children, donations are more impactful than ever. We are looking for new sponsors, if you are interested in sponsoring a child this season, please consider Operation Santa and reach out to the OSC team at seaosc@seiu1984.org or at (603) 271-6530, and someone will return your message.

We ask that a minimum of $80 / two gifts be delivered for each child. OSC will provide each sponsor with a case sheet and information for each child. Delivery Day has been re-scheduled for Tuesday, December 13th!
Save the Date

On Saturday, December 3, 2022 join members of the SEA Veterans committee for the annual Blue Star Mother's of NH wreath placement. Campaign for Public Good

The Campaign for Public Good is looking to ramp up its fall fundraising and donation campaigns by starting off with some annual favorites! Please see below for the details!

Help Homeless Veterans by Donating the Basics

There are currently hundreds of homeless veterans who live either unsheltered or in shelters throughout the state. Unfortunately, veterans often do not have basic personal hygiene items when they leave a shelter or transitional home.

Through December 31st, the Campaign for Public Good and the New veteran's committee will be joining together to collect basic personal hygiene items and toiletries to help the hundreds of local veterans who are homeless. All donations will be delivered to our partners at Harbor Care and then distributed to qualifying veterans at the "Point in Time Count" at the end of January.

- Personal Hygiene Items such as bath soap, shampoo, conditioner, razors, feminine products, shaving cream, baby wipes, deodorant, combs, hair brushes, nail clippers, toothpaste, toothbrushes, and more are all needed.
- Please get in touch with Cullen Tiernan at ctiernan@seiu1984.org for collection and drop-off information.

Knitting For The Public Good Is Back!

Knitted or purchased warm wearable items are currently being gathered for this year’s SEA donation to organizations in need. CFPG will be donating to Franklin/Tilton areas' St. Gabriel's Parish, the Concord Friendly Kitchen, and the Claremont TLC Recovery Center. Donations will be accepted between November and March 2023.

We received a lot of requests last year and are looking for help from anyone who would like to knit items and donate to help the citizens of NH stay warm through the cold months. If you'd like to help, please contact Tam Feener at tamarafeener@metrocast.net.

If you'd like to help but need yarn to knit with, please reach out to Christine in the Communications department at Comms@seiu1984.org.

The end of October marked the end of the Public Service Loan Forgiveness limited waiver. However, there is still plenty to be aware of regarding student loans:

The CARES Act Ends on December 31, 2022
On March 27, 2020, the federal government passed the CARES Act, which put a pause on payments and interest for most federal student loans. After multiple extensions, payments are set to resume after December 31, 2022. After over two years of pause on payments, borrowers must plan accordingly.

Biden’s $10,000-20,000 Loan Cancellation
Per Studentaid.gov: "The U.S. Department of Education will provide up to $20,000 in debt cancellation to Pell Grant recipients with loans held by the Department of Education and up to $10,000 in debt cancellation to non-Pell Grant recipients. Borrowers are eligible for this relief if their income is less than $125,000 or $250,000 for households." While this relief is currently awaiting a decision from a U.S. appeals court before being dispersed, borrowers are still able to apply now. Cancellation will be automatic for those whose income information is already on file with the Department of Education; those who do not or are unsure can find the application on Studentaid.gov. The deadline to submit your application is December 31, 2023.

Forgiveness Options Still Available
• Public Service Loan Forgiveness (PSLF)
• Income-Driven Repayment Forgiveness (IDRF)
• Teacher Loan Forgiveness (TLF)
